As you will see, we recommend you choose option 3A and fund your HSA.

Under 1A the costs went down from 2018. See the comparison analysis for details.

This is based on Illinois rates, however we are aware other rates are comparable and should produce similar results.

These are also located on our [website](#), in our [Agent section](#). Feel free to share these with others, we want to help everyone save.

Please let us know if you have any questions. As always, we appreciate your business and the trust you have placed in our Firm.
