Form **W-4**Department of the Treasury
Internal Revenue Service**Employee's Withholding Certificate**

OMB No. 1545-0074

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.

Give Form W-4 to your employer.

Your withholding is subject to review by the IRS.

2025

Step 1: Enter Personal Information	(a) First name and middle initial	Last name	(b) Social security number
	Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
	City or town, state, and ZIP code		
	(c) <input type="checkbox"/> Single or Married filing separately <input type="checkbox"/> Married filing jointly or Qualifying surviving spouse <input type="checkbox"/> Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if: you are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

Step 2: Multiple Jobs or Spouse Works	Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs. Do only one of the following. (a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; or (b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; or (c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate <input type="checkbox"/>
--	--

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly): Multiply the number of qualifying children under age 17 by \$2,000 \$ _____ Multiply the number of other dependents by \$500 \$ _____ Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here	3	\$
Step 4 (optional): Other Adjustments	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a)	\$
	(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here	4(b)	\$
	(c) Extra withholding. Enter any additional tax you want withheld each pay period . .	4(c)	\$

Step 5: Sign Here	Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.		
	Employee's signature (This form is not valid unless you sign it.)		Date
Employers Only	Employer's name and address	First date of employment	Employer identification number (EIN)

General Instructions

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2025 if you meet both of the following conditions: you had no federal income tax liability in 2024 **and** you expect to have no federal income tax liability in 2025. You had no federal income tax liability in 2024 if (1) your total tax on line 24 on your 2024 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2025 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 17, 2026.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 **1** \$ _____
- 2 Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.

Step 4(b)—Deductions Worksheet (Keep for your records.)

- 1** Enter an estimate of your 2025 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income **1** \$ _____

Questions about Iowa taxes: Call Taxpayer Services at 515-281-3114 or 800-367-3388 or email idr@iowa.gov.

Filing Status: Select the applicable filing status. “Other” includes taxpayers who use the single filing status, Married filing separately, or married taxpayers wanting to withhold as a taxpayer with a filing status of Single. “Married filing jointly” includes taxpayers who are married filing jointly and qualified surviving spouses.

For taxpayers who select “Married filing jointly” and also select “Yes” for their spouse having earned income, the withholding calculation will be completed as if you are using filing status single. This means the deduction for taxpayers using the filing status single will be used in the calculation. If your spouse selects both of those selections on their IA W-4, their withholding will be calculated in the same way. If you do not wish to have the withholding calculation done using the single deduction, you should select “Married filing jointly” and also select “No” for your spouse having earned income.

Exemption from withholding

Nonresidents may not claim this exemption.

Claim exemption from withholding if you are an Iowa resident and both of the following situations apply:

(1) for 2024 you had a right to a refund of all Iowa income tax withheld because you had no tax liability, and, (2) for 2025 you expect a refund of all Iowa income tax withheld because you expect to have no Iowa tax liability.

You must complete a new W-4 within 10 days from the day you anticipate you will incur an Iowa income tax liability for the calendar year (or your fiscal year). If you anticipate you will incur an Iowa income tax liability for the following year, then you must complete a new W-4 on or before December 31 of the current year. If you want to claim an exemption from withholding next year, you must file a new W-4 with your employer on or before February 15.

Taxpayers 64 years of age or younger: See your payroll officer to determine how much you expect to earn in a calendar year. You are exempt if:

- a. your filing status is single, your total income is less than \$5,000, and you are claimed as a dependent on another person’s Iowa return; or
- b. your filing status is single, your total income is less than \$9,000, and you are not claimed as a dependent on another person’s Iowa return; or
- c. your filing status is other than single and your combined total income is \$13,500 or less.

To determine your total income for “b” and “c”, you must add back the federal standard deduction or itemized deductions from your federal return, the personal exemption allowed for federal purposes (zero for tax year 2025), and the qualified business income deduction allowed for federal purposes to your Iowa net income.

Taxpayers 65 years of age or older: Only one spouse must be 65 or older to qualify for the exemption. Any federal standard deduction or itemized deductions from the federal return, personal exemption allowed for federal purposes (zero for tax year 2025), or qualified business income deduction allowed for federal purposes, must be added to your Iowa net income for purposes of determining your total income. You are exempt if:

- a. you are single and your total income is \$24,000 or less; or
- b. your filing status is other than single and your combined total income is \$32,000 or less.

Military personnel in active duty status, as defined in Title 10 of the U.S. Code, are exempt from withholding. Under the Military Spouses Residency Relief Act of 2009, the Veterans Benefits and Transition Act of 2018, and the Veterans Auto and Education Improvement Act of 2022, you may be exempt from Iowa income tax on your wages if: (1) your spouse is a member of the uniformed services present in Iowa in compliance with military orders; (2) you are present in Iowa solely to be with your spouse; and (3) you maintain your domicile or residence in another state; or (4) you have elected to use the residence or domicile of: a) the spouse of the servicemember, b) the servicemember, or c) the permanent duty station of the servicemember in another state for income tax purposes. If you claim this exemption, check the appropriate box, enter the state other than Iowa you are claiming as your state of domicile or residence, and include a copy of your spousal military identification card to the IA W-4 provided to your employer.

Line 1. Personal allowances: You can claim the following personal allowances:

- (a) \$40 allowance for yourself or \$80 allowance if you are unmarried and eligible to claim head of household status. Add \$20 additional allowance if you are 65 or older, and \$20 additional allowance if you are blind.
- (b) If you are married and your spouse either does not work or is not claiming allowances on a separate W-4, you may claim the following allowances for them: \$40 for your spouse, \$20 additional allowance if your spouse is 65 or older, and \$20 additional allowance if your spouse is blind.
- (c) If you are single and hold more than one job, you may not claim the same allowances with more than one employer at the same time. If you are married and both you and your spouse are employed, you may not both claim the same allowances with both of your employers at the same time.
- (d) To have the highest amount of tax withheld claim “\$0” on line 1.

Line 3. Allowances for itemized deductions:

- (a) Enter total amount of estimated federal itemized deductions (a) \$ _____
- (b) Enter amount of your federal standard deduction using the following information (b) \$ _____
 If single or married filing separate returns, enter \$15,000
 If unmarried head of household, enter \$22,500
 If married filing a joint return or qualifying surviving spouse, enter \$30,000
- (c) Subtract line (b) from line (a) and enter the difference or zero, whichever is greater (c) \$ _____
- (d) Divide the amount on line (c) by 15, round to the nearest whole dollar and enter on line 3.

Note: If you are married and both you and your spouse are employed, you may not both claim the same allowances for itemized deductions. Each spouse should report their proportionate share of the estimated federal itemized deductions on line 3(a) and use the single federal standard deduction amount on line 3(b).

Line 5. Allowances for child and dependent care credit: Persons having child/dependent care expenses qualifying for the federal and Iowa child and dependent care credit may claim additional Iowa withholding allowance amounts based on their total incomes. Taxpayers with a total income of \$90,000 or more cannot claim withholding allowances for the child and dependent care credit. Married persons filing jointly, must calculate their withholding allowance amounts based on their combined total incomes. Generally, you may not take this credit if your filing status is married filing separately. Total allowances for child and dependent care that you and your spouse may claim cannot exceed the total allowances shown below.

- Iowa total income between \$0 - \$19,999 Allowances: \$200
 Iowa total income between \$20,000 - \$34,999 Allowances: \$160
 Iowa total income between \$35,000 - \$44,999 Allowances: \$120
 Iowa total income between \$45,000 - \$89,999 Allowances: \$40

Line 7. Additional amount of withholding deducted: You may need to have additional tax withheld if you have more than one employer or are a nonresident alien. If any of these situations apply to you see the detailed instructions below. You may also need to have additional tax withheld if you have income other than wages. Income other than wages would include: interest and dividends, capital gains, rent, gambling winnings, etc. If you are not having enough tax withheld, you may request your employer to withhold more by filling in an additional amount on line 7. Estimate the amount you will be under-withheld, and divide that amount by the number of pay periods per year. If you reside in a school district that imposes school district surtax, consider reducing the amount of allowances shown on lines 1-5, or have additional tax withheld on line 7.
